SATA ANDAGI QUEST

WORK IN PROGRESS

THE PITCH

A small, cheerful collection game where the player explores a surreal neighborhood, finds freshly made sata andagi, and brings every snack home before sunset.

CORE LOOP

Explore rooms, collect snacks, avoid silly distractions, and return to the picnic table.

VISUAL STYLE

Bold colors, chunky shapes, playful dialogue, and a warm hand-made atmosphere.

WIN CONDITION

Collect every sata andagi and reach the picnic before the final sunset bell.

PLANNED FEATURES

- Three compact areas to explore
- Simple keyboard controls
- Collectible snack counter
- Short character conversations
- A final picnic celebration

PORTFOLIO NOTE

This document is an intentional placeholder. It demonstrates the project-PDF link for the portfolio and can be replaced with the final game report later.
